LIAISONS DANGEREUSES is a magazine of postal diplomacy edited by Lenard Lakofka, 1806 N. Richmond St. Chicago Ill. 60647 and printed by the IFW press. Affiliations are with the Postal Diplomacy Congress (formerly N3FGDD) and the "NewOrg" run by Rod Walker, Walt Buchanan Larry Peery, Pete Weber, Burt LaBella, et. al. See editorial below for information on the NewOrg. LD # 29 carries the following games; bronto 1 & 2, LIAISONS DANGEREUSES 8, 9, 12, & 15. NEOPHYTE AND OWWII can be found in the seperate publication, NEOPHYTE 7 also published on March 2, 1972.

XXXX XXX

In the last issue of LD I made an unfortunate error. That error involved the use of the title "new organization begins now." Use of that title could not help but be construed as a desire of mine to head an organization. That is now what was meant, but Rod Walker pointed out the error of my parasitology.

Rod also makes some other observations which are wholly incorrect also. He states that I do not compromise and that I am telling everyone what I want done to the exclusion of other's opinions. I naturally take exception to those views. I want a democratic organization as much as anyone. I complained about the technique used by Bob Johnson in the formation of the PIC and that is construed as a desire by me to want to run things. That seems just a bit paranoid. If that were the case I would not have printed an opinion ballot in that last issue of LD, now would I?

Yet, save for Bob Johnson, I have the highest personal regards for those who are heading the new organization. I urge you to send your \$1 and questionnaire to Larry Peery. (These questionnaires were mass mailed a few days ago. If you have not gotten a copy write Walt Buchanan @ R3 Lebanon Ind 46052 for a copy.)

Any person who is a player in any of my games need only send 75¢, I'll make up the quarter difference from your game fee. This new organization needs popular aid and support. I urge you to give it yours.

While Rod and I could argue about the last EHREWON, it would be pointless and not serve a reasonable purpose. If I have, in my anxiety, offended anyone (save for Bob Johnson) my apologies. Let us get this task done!

LD 28 did prompt Bob Johnson to bellow forth with another of his poorly edited ad hominum attacks. Such bellicose chest beating can only detract, even more, from his sole authorship of the PIC. I could quote a few portions of his latest diatribe to lay better foundation for his assessment, but I do not have the time to properly expurgate his ramblings for print. Evidently he believes that name-calling is really adult candor.

XX

LIAISONS DNAGEREUSES & NEOPHYTE to carry Beyerline ballot in May!

Our Beyerline has given me permission to include a ballot for his
player opinion poll in an upcoming LD. Since not everyone gets Dom
Miller's zines, this seems the best way to get the poll circulated.

* Aaron Grossbaum, for some reason unknown to me, insists on sending his moves via anything but the mails. This time he sent them via telegram. However, as stated in the last LD, only phone calls that I accept myself will be assumed as accepted. And only those moves shall I take credit for. The persons in my home are NOT my agents and whatever they happen to copy down, in the way of a message, I take no responsibility for. Thus you have a set of unclear symbols and abbreviations given to Western Union and in transcription they become totally lost as to meaning. Of the orders transcribed only f were clear and had no double conotation. The remaining orders are totally a loss, and thus the pieces hold as if unordered. The deadline for moves is specific and will be adhered to. PERIOD! Only in NEOPHYTE games in 1901 & 1902 do I relax tensions to allow for a smooth game.

NEOPHYTE 7

NEOPHYTE is a magazine of postal Diplomacy edited by Lenard Lakofka, 1806 N. Richmond St., Chicago Ill 60647 on the IFW Press. NEOPHYTE 7 carries 1971 (AT, BX, CE, DO, DV) and 1972 N plus OWWII 1971.1 h, and has openings in the NEOPHYTE GRAND TOURNAMENT and regular diplomacy.

The game fee for the NGT is \$7 for 4 simultaneous games of Diplomacy with 14 players. A novice game (which is the only type of game NEO carries) has a game fee of \$3. You may subtract \$1 off of the NGT fee as of 3/7/72 if you have joined the New Org headed by Larry Peery 816 24th, San Diego Cal. You may subtract 50¢ toward game fees in Novice games for such association.

DIPLOCON V PROGRESSES

DIPLOCON V will be held in the SHERMAN HOUSE (Randolph & Clark Streets) in Downtown Chicago on July 22 + 23, 1972. In addition to DIPLOCON there will be a wargaming convention featuring OWWII tournaments, miniatures (medieval, napoleonic and modern) and all types of board-gaming. Also, we are sponsoring a GAME SYMPOSIUM, unlike any yet seen! We have gotten a definite maybe from one of the large Chicago Museums to display a series of ancient games and other museums are being contacted. We are contacting game manufacturers, distributors, and wholesalers to show their wares--most of them will be available sale too (some at reduced prices).

For the Diplomacy players a 49 player tournament is planned, plus seminars on the game for novices, and a business meeting for publishers and organization buffs. Naturally Allan Calahmer will be giving one of the key speeches at the presentation dinner. Prizes in excess of \$200 in value will be awarded for the tournaments and competitions! It is a convention that you won't want to miss!

Register NOW for valuable discounts! If you wish to play in the 49 player tournament you MUST preregister to be sure of a spot--they will go fast!

Basic rates are; At the door per day fee \$3.50 Banquet \$4.00 However, if you sign up for the two days then entry fee is \$6.00 and \$10.00 including the dinner.

But wait, you can save more money! If you register before June 15, 1972 you may subtract \$1.50 so that the two days with dinner is but \$8.50. ...and we are mpt through yet! If you are a member of the IFW or are 18 years of age (or younger) you may subtract \$1 for each of those situations so that the whole package could be as cheap as \$6.50 including the banquet!!! (If you register for only one day subtract 50¢ for preregistration, and 25¢ each for IFW membership and being 18 or younger).

Finally there will be a "His & Hers" special! Both days with the banquet for only \$16.50! And we are planning a special itinerary for the ladies if they do now wish to spend their full time at the convention. We will open up Chicago to them, with its famous shops, the FIELD MUSEUM, ART INSTITUTE, SHEDD AQUARIUM, ADLER PLANETARIUM, MUSEUM OF SCIENCE OF INDUSTRY, Numerous theaters and shows, Oak Street Beach, and even Big League Baseball for those interested!

And it won't cost you an arm and leg to stay at the Hotel either! Through special arrangement suites up to \$50 in value will be available for only \$18 as a double! Singles for \$14.00! Plan to register now to gain the discounts and the special Hotel room rates. Don't wait!

NEOPHYTE GRAND TOURNAMENT is 8 games of Diplomacy played simultaneously by 14 people (each person playing in 4 different games). You will be pitted against the same opponent in 2 or 3 instances and be given 4 different countries.

The tournament will be scored in this manner:

A win 25 points, a 2 way draw with each player having at least 14 centers (for the equality of draws the top players must be within 3 centers of each other in two way draws or more places. Thus a final position of England 14, France 12, Germany 3, Turkey 3 is considered a 2way draw) 18 points. survivors in a two way draw 3 points. 3 way draw 15 points, survivors 3 pts., 4 way draw 12 points survivors 2 pts., 5 way draw 9 pts. survivors 1 pt. For additional positions after a win; 2nd place 10 points, 3rd 8 pts. 4th 5 pts, 5th 2 pts. 6 or 7 th with survival 1 point.

The overall winner will get a free game in any magazine of his choice (up to \$6 game fee) plus a game in LD, plus a trophy. 2nd overall a trophy, or a free game, 3rd subscriptions to any two postal magazines up to \$4.

Game fee, for all of this wonderfulness is only \$7.00 FOR ALL FOUR GAMES. Subtract \$1 if you have joined the NewOrg--see LD 29 for comments on that group. (6 players paid)

NEOPHYTE extends deadlines because of gamemaster error, or serious problems of one of the players. It is my policy not to extend a deadline at the last minute UNLESS severe cause can be shown (illness, etc.) vacations, trips etc. can be planned for and thus extensions will be granted WITH full 4 week notice of the GM. In the last season I made an error by mailing the move to the wrong address and thus the deadline was extended. The GM takes full responsibility for his errors, but not the delays of the U.S. post office or any moves not received by me if sent by phone or through some other party.

Announcement; Since some of you are members of the IFW, and you may wonder what is going on-- have no fears. We have had labor problems and the JANUARY, FEBRUARY AND MARCH INTERNATIONAL WARGAMERS are all being mailed on March 6, 1972. Watch for them in a few days (allow 10-20 days for bulk mailing). The APRIL and MAY will come in quick succession so that we will be caught up again.

SPECIAL!

DIPLOMACY needs your support and to grow it must be playable and introducable to larger groups. Thus we suggest a plan. Organize a local once-a-month face-to-face Diplomacy game(s) in your area and PLAY the game in a fairly public place, such as a college lounge, town square, beach etc. If people don't know Diplomacy exists you can't find opponents! If anyone would like to have FTF meetings in his area let me know I'll advertise them in LD and ask that other Game-masters pick up on the request. If a number of GMs would carry such ads a few FTF clubs could surely form!
